

## Application and Intake Packet – Adult Speech/Language Services

**WELCOME** to the University of Washington Speech and Hearing Clinic. The mission of our clinic is to be a center of excellence in education, research, and clinical practice serving speech, language, and hearing needs within the University and the community.

As a teaching and research facility, the services offered in the clinic are provided by our graduate student clinicians working toward advanced degrees. Graduate student clinicians are supervised by Audiologists and Speech-Language Pathologists who are nationally certified by the American Speech-Language-Hearing Association (ASHA) and licensed by the Washington State Department of Health. In addition, our dispensing Audiologists are certified by the Washington State Department of Health.

As a part of an academic program, the UW Speech and Hearing Clinic is a non-traditional outpatient clinic. Scheduling of services, type of services offered, and the length of services received depends upon the academic needs and availability of our students, balanced with the needs of our clients. Clients are eligible for up to 4 quarters of therapy services.

The following information will acquaint you with our unique outpatient clinic and answer many of your questions. For more information, visit our web site at: [sphsc.washington.edu/clinic](http://sphsc.washington.edu/clinic).

**Application and Intake Packet:** The intake form below can be completed online in a browser or by using the free Adobe Acrobat Reader (available at [Acrobat.Adobe.com](http://Acrobat.Adobe.com)) Return the completed forms to the clinic by email ([shclinic@uw.edu](mailto:shclinic@uw.edu)), fax (206-616-1185) or US Mail prior to your appointment. We must receive your intake forms before we can schedule an appointment. Please assist us by filling out the intake forms as completely as possible. In addition, include copies of reports and records (i.e., school reports, medical records) that you feel would be beneficial to us and would help us to know your history and current needs. With your permission, we may request additional records when necessary.

**Consent:** Carefully read the “Consent Form” so that you are informed of your obligations, the services we provide, and the type of recordings that may take place. The consent form must be signed and on file in the clinic prior to the initiation of services. If you have any questions about this form, please call us prior to your visit. You may bring it unsigned to the first visit and we will address your questions.

**Confidentiality:** We keep a record of the health care services we provide you. You may ask to see and copy that record. You may also ask us to correct that record. We will not disclose your record to others unless you direct us to do so or unless the law authorizes or compels us to do so. You may see your record or get more information about it by calling 206-543-5440.

**Location & Parking:** The Speech & Hearing Clinic is located on the west side of the University of Washington campus at 4131 - 15<sup>th</sup> Avenue NE and is in the School of Social Work/Speech & Hearing building. Go to our clinic [website](#) for directions to the clinic and information on parking.

**Fees for Services: We are a no-fee, donation-based community clinic.** Evaluation and therapy services are provided free of charge. We encourage you to consider making a donation to help support the Clinic in providing services to others with communication needs. A donation is not required to receive services. For information about how your donation provides critical support for the work of our clinic, please go to our website at <https://sphsc.washington.edu/clinic>.

**Fees for Devices (Hearing Aids, Ear Plugs, Alternative Communication Devices) and Associated Services:** There are charges for devices such as hearing aids, ear plugs, alternative communication devices, etc., and for the services related to the fitting and repair of these devices. We are not a Medicare provider and we do not bill insurance companies, Medicare/Medicaid or other third-party providers. **We ask our clients to pay at the time of receipt of the device. We welcome payment by cash, check or major credit cards including Heath Savings Account cards.** The client or legal guardian is responsible for the cost of the device provided and payment is required before receiving the device. Upon payment for devices, the Clinic Office will provide you with a receipt. In addition, an Insurance Summary statement is available upon request and may assist you in seeking reimbursement from your insurance company or employer. Our Office Manager will be able to assist you if you have questions regarding payment or financial hardship.

**Academic Calendar:** As we are part of the University of Washington, our clinic follows the University of Washington academic calendar. The clinic is open during the four academic quarters of the year and closed for holidays and vacation breaks that are observed by the University of Washington. The Hearing Aid Fitting and Dispensing program does maintain “on-call” hours during vacation breaks.

Our clients who receive multiple quarters of services should anticipate having a different clinician each quarter. Our graduate students rotate through clinical experiences as part of their degree program. To assure continuity of care, the same Clinical Supervisor typically oversees services each quarter.

**Attendance:** Please call us 24 hours in advance of your appointment if you need to cancel or reschedule. After business hours, you are welcome to leave a voice mail message. When a client has three appointment “no shows” or “cancellations”, the graduate clinician’s educational program is adversely impacted. Therefore, services for that client may need to be deferred.

### Consent for Care and Clinic Policies Agreement Form

Please read each section of this form and initial that you have read and understand each policy. Then provide a signature at the end of this form confirming that you have read and understand each section.

#### CONSENT FOR CARE

I hereby authorize the UW Speech and Hearing Clinic to provide evaluation and treatment services for the above-named client. Additionally, if the faculty, staff, and/or other clinic personnel determine that the client is in need of emergency medical care, the clinic is hereby authorized to obtain the care required, at the expense of the undersigned.

**I have read and understand the Consent for Care statement: \_\_\_\_\_ (initials)**

#### NOTICE OF INFORMATION PRACTICES & PRIVACY POLICY

We keep a record of the health care services we provide you. You may ask to see and copy that record. You may also ask us to correct that record. We will not disclose your record to others unless you direct us to do so or unless the law authorizes or compels us to do so. You may see your record or get more information about it, as well as obtain a copy of the complete Notice of Information Practices and Privacy Policy by calling 206-543-5440.

**I have read and understand the Notice of Information Practices & Privacy Policy: \_\_\_\_\_ (initials)**

#### SUPERVISION OF MINORS POLICY

Under state law, individuals under the age of 18 are considered minors. Parents/guardians are asked not to leave the clinic while a minor under the age of fourteen is in therapy at this clinic. For clients ages 14 to 17, parents/guardians may choose whether or not to accompany the minor to their appointment. Parents/guardians are solely responsible for determining how their children may safely travel to the UW Speech & Hearing Clinic for their appointment (e.g. bus, drive, walk, bike, etc).

**I have read and understand the Supervision of Minors Policy: \_\_\_\_\_ (initials)**

#### MOBILITY TRANSFERS AND RESTROOM POLICY

Clinicians, faculty and staff are not allowed to assist with transfers and toileting. A caregiver or family member of the individual receiving services must be present when the client needs physical assistance with transferring from wheelchair to chair, during ambulation in the clinic, or for bathroom assistance.

**I have read and understand the Mobility Transfers and Restroom Procedures Policy: \_\_\_\_\_ (initials)**

#### DISABILITY ACCOMMODATIONS

Both front and back entrances to our clinic are accessible. Both entries have automatic openers, as do our restrooms. Please let us know if you need any accommodations to facilitate receiving services from our clinic.

**Accommodations needed:**

**OBSERVATION AND RECORDING POLICY**

The services offered to individuals seen in the Clinic are part of the University’s education program. University of Washington faculty, staff, and students receive educational benefits from observing diagnostic, treatment, and other services offered in the University facilities.

**Basic Consent:** I understand that by accepting services from the Clinic I consent to observation by UW faculty, staff, and students, either live, via recording, or via closed circuit television when I (or the client) receive services.

**I understand that I (or the client) may be observed:** \_\_\_\_\_ (initials)

**Full Consent:** In addition, I give my consent to the UW Speech and Hearing Clinic to make audio and/or video recordings of me (or the client) while receiving services to be used for educational purposes, provided the name of the client or other personal identification information is not revealed. These data are only available for educational training purposes. All uses for commercial or research purposes are prohibited unless a separate permission is obtained. Segments of the digital recording with accompanying transcriptions may be presented in the context of academic symposia, university classes, and professional, family or client training activities.

**I give my consent to be recorded for educational purposes:** \_\_\_\_\_ (initials)

**CONSENT TO BE CONTACTED FOR RESEARCH POLICY**

UW Speech & Hearing Sciences and the UW Speech & Hearing Clinic are committed to advancing clinical research to improve the lives of people living with communication disorders.
